Programmable Double Hydraulic Cutting Machine 68 cm Heavy duty with 10" Touch Screen/
Programmable Double Hydraulic Cutting Machine 78 cm Heavy duty with 10" Touch Screen

Autoprint's automatic paper cutting machine equipped with full touch display screen controller, allows variable mode data entry, with the program storage capacity of 200 groups. Each program group can be stored with 1000 different cutting data. The operation, setting and information screen ensures efficient, easy and precise operation.

Automatic / Manual cutting operations can be performed by just change the mode of operation in controller unit. The manual cutting process gets activated only when the two cut buttons are simultaneously pressed. If the safety sensors detect any object, the cutting motion will stop immediately.

It has Air-table, Auto-Paper Push System (servo motor driven back gauge) adopts whole slot-less chrome working table with linear guides and high speed ball screw ensures precise cutting at the desired position at high speed. Both the paper clamping device and paper cutting device adopts hydraulic system. The hydraulic pressure can be varied based on cutting requirements.

This machine allows stacking the paper or paper board up to 10/12 cm height and cuts at faster speed. Knife light line, Easy and safety knife change system and Knife locking latch feature ensures convenient, safety and efficiency.

It's a heavy duty steel construction for vibration free operation ensures reliability and durability.

TECHNICAL SPECIFICATIONS

| Description | Unit | MODEL | |
|-----------------------------|------------|---------------------|--------------|
| | | 68HD-10T | 78HD-10T |
| Maximum Cutting Width | CM / Inch | 68/26.77 | 78/30.7 |
| Maximum Cutting Length | CM / Inch | 68/26.77 | 78/30.7 |
| Maximum Cutting Height | CM / Inch | 10/3.93 | 12/4.72 |
| Main Motor Power | KW | 2.2 | 3 |
| Weight | KG | 800 | 1800 |
| Width of Machine | | | |
| With Side Way | CM | NA | 210 |
| Without Side Way | CM | 113 | 195 |
| Length | CM | 154 | 197 |
| Height | CM | 150 | 150 |
| Front Table Length | CM | 53 | 65 |
| Table Height | CM | 93 | 89 |
| Clamp Pressure | | | |
| Min | N | 100 | 200 |
| Max | N | 8000 | 30000 |
| Knife Thickness | CM | 81x10x1 | 95x12.7x1.27 |
| Grinding Reserve | CM | 2.5 | 3 |
| Smallest Cut | | | |
| With False Clamp | CM | 2.5 | 2 |
| Without False Clamp | CM | NA | 9 |
| Cutting Speed | Cycles/Min | 25 | 45 |
| Physical Dimensions (LxWxH) | CM | 154x113x149 | 197*210*150 |
| Power | | 415V, 50HZ, 3 Phase | |
| Wire Size | Sq.MM | 2.5 | 2.5 |

Note :
 Model 78 HD 10 T comes with side table as a standard supply.
